

## **WEST AFRICAN COLLEGE OF CLINICAL PHYSIOLOGY SCIENCES (WACCPS)**

---

### **Training Requirements for Membership Examination**

The West African College of Clinical Physiology Sciences (WACCPS) requires candidates to undergo structured training programs before sitting for the Membership examination. These programs may include:

### **Training Programs for Membership**

- 1) **Clinical Physiology Training:** Candidates must complete a recognized training program in clinical physiology sciences.
- 2) **Practical Experience:** Hands-on training in relevant clinical settings.
- 3) **Supervised Clinical Practice:** Candidates are required to complete a specified period of supervised clinical practice.

### **Alternative Route for Membership**

Alternatively, candidates with significant experience in clinical physiology may be eligible to sit for the Membership examination. Requirements may include:

- 1) **Years of Experience:** A minimum of 5 years of experience working in a clinical physiology unit, with evidence of continuous professional development.
  - 2) **Professional Development:** Candidates must provide evidence of ongoing professional development, including attendance at conferences, workshops, and relevant training programs.
- **Examination format:** The examination consists of:
    - Written components (e.g., multiple-choice questions, short-answer questions)
    - Practical components (e.g., clinical skills assessment)
    - Case-based discussions
